Outreach activities include:

Receiving and airing correspondence from the above Workforce Centers.

April 19, 2011 KKEQ station program director presented at an area career fair located at the Thompson, ND High School.

1/1 – 11/30/11 Work with communication degree students from Bemidji State University as they visit and tour our facility and ask questions.

Throughout the year, give some interested high school students an opportunity to work as interns or part-time employees...also informing them of broadcasting scholarships available through the MN Broadcasters Assoc.

2/11 – 11/11 Developed a number of broadcasting interns at our new studio facility in Grand Forks, ND.

Thank you
